ZERO HOUR COURSE OPTIONS (Requires Parent/Guardian signature):

The standard schedule for most Washburn students is a 6-period day running from 8:30am-3:00pm. However, students may elect to have a Zero Hour and end their day at 2:00 (6 classes) or end their day at 3:00 (7 classes). There are limited course offerings at Zero Hour: Health, Fitness, English, and Jazz Band.. If requesting a Zero Hour, there is no guarantee that we will be able to accommodate your request. Please choose which scheduling option you would like but please keep in mind that this option may not be able to be revised after June 7th, 2019.

Please choose one:

- A. _____ Standard option 6-period day (8:30-3:00)
- B. _____ Zero Hour 6-period day (7:30-2:00)
- C. _____ Zero Hour 7-period day (7:30-3:00)

I understand that making the decision to choose a Zero Hour may be irrevocable and if my student chooses Option B, they must leave the building at 2:00 even if they have after school activities.
