

What can students/youth do to “lend a hand?”

Bullying happens when someone hurts or scares another person on purpose. The person being bullied has a hard time defending himself or herself. Usually, bullying happens over and over.

Sometimes bullying is easy to notice, such as with hitting or name calling, and other times it's hard to see, like with leaving a person out or saying mean things behind someone's back. Both boys and girls bully, and both boys and girls get bullied. Bullying is not fair. And it hurts.

What do YOU do when you see someone being bullied at school?

- *Ask yourself, "Is it my job to help?"*

Think about how YOU might feel if the bullying was happening to you. You and other kids can lend a hand, even when you aren't close friends with the kids who are bullied. Your school will be a better place if you help stop bullying. And making your school a better place is EVERYONE'S job!

What can I do?

Lots of things! Think about what may work for you:

- Don't just stand there... **SAY SOMETHING!**
- Kids who bully may think they're being funny or "cool." If you feel safe, tell the person to **STOP** the bullying behavior. Say you don't like it and that it isn't funny.
- **DON'T BULLY BACK!** It won't help if you use mean names or actions. And it could make things worse.

But what if I don't feel safe telling a bully to stop?

- *That's OK.* No one should put themselves in an unsafe situation. How **ELSE** can you lend a hand when bullying happens?

- Say kind words to the child who is being bullied, such as "I'm sorry about what happened," and "I don't like it!" Help them understand that it's not his or her fault. Be a friend. Invite that student to do things with you, such as sit together at lunch or work together on a project. **EVERYONE NEEDS A FRIEND!**
- Tell the student who is being bullied to talk to someone about what happened. Offer to help by going along.
- Pay attention to the other kids who see the bullying. (These people are called, "bystanders.") Are any of them laughing, or joining in with the bullying? If yes, these kids are part of the problem. Let those students know that they're not helping! **DON'T** be one of them!

- *Tell an adult.* (This is **IMPORTANT!!**)
 - Chances are, the kid who is being bullied needs help from an adult. The kid who is doing the bullying probably does, too. Often, the bullying does not get reported. But, who should you tell?

Think about who you could tell in your school:

- Teacher (which one would you talk to?)
 - School counselor
 - Cafeteria or Playground Aid
 - School nurse
 - Principal
 - Bus driver
 - School nurse
 - Other adults you feel comfortable telling
- If you need help telling, take a friend along.

Why don't some kids tell when they see bullying?

- They may not want others to think they are "tattling."
- They may be afraid that the kids who bully will pick on them next.
- They may think their friends will make fun of them for trying to help.
- Telling is very important! Reporting that someone is getting bullied or hurt in some other way is NOT "tattling." Adults at school can help. Ask them to help keep you safe after telling. Explain to your friends that bullying is NOT fair and encourage them to join in helping!

What if the bullying doesn't happen at school?

- If there is an adult around, report the bullying to an adult (your youth group leader, minister, sports coach, etc.)
- No matter where the bullying happens, you should talk to your parents about bullying that you see or know about. Ask them for their ideas about how to help.

We ALL must do our part! Kids who are bullied deserve to feel safe and welcome at school and in their neighborhoods. All kids do! TAKE A STAND. LEND A HAND. STOP BULLYING NOW!
