

Miller Mart Grants

Purpose and Criteria for Receiving Miller Mart Funds

The Miller Mart fund account is generated by students spending in the Miller Mart. Funds will be used to serve and benefit Washburn High School students through projects, events or initiatives. Projects requesting funding must have as their outcome to accomplish one of the following criteria:

1. Enhance the educational environment at Washburn
2. Create a positive academic experience for Washburn students
3. Contribute to the positive social development of Washburn students

Guidelines for Awarding Miller Mart Funds

1. As much as possible, awards will represent a balance of the demographics of the school.
2. Proposals will request the exact amount of funds needed to accomplish the purpose.
3. Awards will be student focused (since funds come from students spending.)
4. Projects must have an adult advisor responsible for overseeing the project and dispersing the funds.
5. Whenever possible, student council representatives will be invited to be a part of the decision making process to give an added student perspective. Student council members will join us when considering grant applications.
6. We will take into account how much MM funding has been given to the applicant's organization.

Application Process

1. Student representative should fill out the approved application form.
2. Miller Mart board, plus student representatives, will meet to discuss applications and decide on funding for each application.
3. Decisions will be made and funds dispersed prior to the end of the semester. Funds will be transferred from the Miller Mart account into selected Washburn accounts.

Grant Application

Miller Mart

Projects requesting funding must have as their outcome one of the following:

1. Enhance the educational environment at Washburn
2. Create a positive academic environment for Washburn students
3. Contribute to the positive social development of Washburn students

Date of application: _____

Name of Group/Club/Team: _____

Adult Advisor/Coach Name: _____ Department and Position: _____

Adult Advisor/Coach Signature: _____ Date: _____
